

February 2018

Thank you for your interest in St. Jerome Early Childhood Center. We are very fortunate to be able to offer partial scholarships for the 2018-19 school year to assist families with tuition costs associated with attending our preschool program.

You will find our Scholarship Application attached along with the directions and timelines related to the completion of this application.

May God continue to bless the work we do in His Name.

Sincerely in Christ,

Denise Roach, Administrator
St. Jerome Early Childhood Center
